Explore VR is part of the Vocational Rehabilitation Research and Training Center (VR-RRTC). The VR-RRTC is a national center that builds the capacity of the public vocational rehabilitation (VR) program to improve employment outcomes for people with disabilities. The VR-RRTC is funded by the National Institute on Disability and Rehabilitation Research and the Rehabilitation Services Administration of the US Department of Education. Visit the VR-RRTC website (www.vr-rrtc.org) for more information about the center's policy research, training, and technical assistance efforts.
